Unanimous approval was given to appoint Daniel Heher to the Fairview Township Sewer and Water Authority on motion by Mr. Carner, seconded by Mr. Kraus.

**SUPERVISORS:** Mr. Carner reported the county will be spraying along Pleasant Ridge Manor for Mosquito Control on August 9, 2012.

**PUBLIC COMMENT:** Mr. Carstater gave the Supervisors the Emergency Management Report and informed the Supervisors that Title 35 has been introduced and suggests ECATO gets involved.

Mr. Bacik informed the Supervisors that at the intersection of Platz Road and Kryder Road there should be a stop sign on the dead end side of Platz Road. People are parking where the bridge is out and when they finally leave it is a safety hazard.

Laurie Ahlbrandt from Shauna Drive came to the meeting to explain to the Supervisors how she became a victim of a water main break. Her basement was flooded from this and her homeowners insurance will not cover the flood since it is from a water line break and not natural causes; however the Fairview Sewer and Water Authority's insurance told her she needs to go through her homeowners. She is looking for help and guidance.

Mr. Varner asked the supervisors if there is any timeline for having the Waste Management Bagster Bag on your property. Unfortunately there is not but they can talk to the owner of the property about the complaint.

The meeting was adjourned at 8:04 P.M. Motion by Mr. Carner, seconded by Mr. Kraus.

Respectfully submitted,

Michelle A Zirkle  
Asst. Secretary
