

SUPERVISORS OF FAIRVIEW TOWNSHIP
7471 McCray Road ~ Fairview, PA 16415

Workshop Meeting ~ November 18, 2015 ~ 1:00 P.M.

The workshop meeting of the Supervisors of Fairview Township was called to order at 1:00 P.M. on November 18, 2015 by Chairman Mark Gennuso. Present were: Supervisor Ralph Heidler; Supervisor Pete Kraus; Waste Management Representative Mike Christ, Secretary Judy Schroeck.

The following items were discussed:

1. The group discussed the bid from Waste Management for a new 5-year contract for waste service and went over pricing for services. The new contract bids are \$75.69 per quarter for unlimited collection (including leaf waste disposal), \$1.11 per month for the At-Your-Door Special Collection and \$375.00/\$48.00 per ton for the Spring Clean-Up Day. The Township would like to add an addendum to the contract stating Waste Management will pick up electronic waste with no charge, from the Township building through the At-Your-Door Service. This would include items the Township picks up along the roadsides.

The cost for the bag service to residents will remain the same (\$20.00 for a pack of 5 bags), and residents will pay \$13.32 (\$1.11 per month) if they would like to have a Household Hazardous Waste pick-up. Also, residents may call Waste Management to suspend service for a minimum period of three months at no additional cost. There is also a 10% discount for seniors who have a PACE card.

Waste Management will require an official agreement to sign with a signature page including addendum. The Supervisors plan to adopt the contract at their December 3, 2015 meeting.

The meeting was adjourned at 1:25 PM.
Respectfully submitted,

Judy Schroeck
Planning/Zoning Secretary
