Present were: Supervisors Peter Kraus; Mark Gennuso and Ralph Heidler; Zoning Officer James Cardman; Assistant Secretary Michelle Zirkle; Engineer George Willis and Solicitor Paul Burroughs.

The Supervisors, Mr. Cardman, Solicitor Paul Burroughs and Mr. Willis all discussed any options available to the Township about the stormwater ordinance that has been mandated by the Pennsylvania Department of Environmental Protection. The Township has until March 21, 2014 to enact the ordinance or face fines and other consequences. They discussed many scenarios this poses a problem for current and future developments in Fairview Township.

They are hoping to meet with Congressman Mike Kelley and DEP on March 19, 2014 at a Worskshop Meeting to further discuss their concerns against this State mandate. Mr. Gennuso will contact the parties to confirm meeting date.
