Workshop Meeting  
September 12, 2012  
1:00P.M.

The workshop meeting of the Supervisors of Fairview Township was called to order at 1:00 P.M. on September 12, 2012 by Chairman Ralph Heidler. Present were: Supervisors Peter Kraus; David Carner and Ralph Heidler; Zoning Officer James Cardman and Assistant Secretary Michelle Zirkle.

Visitors: Joel Muzyka; Carrie Crowe; George Willis; Andy Holland and Chuck Giewont

The Supervisors started the meeting discussing ways contractors could start the installation of infrastructure without a letter of credit. The supervisors would still want the contractors to have inspections throughout the duration of building the infrastructures. The Supervisors realize the banks are making it harder to get a line of credit and they want to help contractors with this issue. Mr. Muzyka and Ms. Crowe both agreed this would be helpful when applying for the letter of credit and help cut the cost in half.

The Supervisors continued the meeting with talking to Ms. Crowe about the Marina. There is no new information and as it stands now they are no longer going to pay the taxes and it will eventually go up for Sheriff Sale.

Mr. Heidler finished up the meeting by discussing the letter of correspondence he received from DEP. This letter was received after writing them 2 letters regarding the adoption of the new Stormwater Act. The Supervisors agreed to continue to hold off on the adoption as long as possible. Mr. Willis agreed to contact DEP and try to get more information about the Act.

The meeting was adjourned at 2:50 P.M.

Respectfully submitted,

Michelle A. Zirkle  
Assistant Secretary
