SECRETARY:

The Secretary reported that responses on the PSATS discussion group revealed that other Municipalities respond to “Private Roads” in the same manner that Fairview Township does. We will pass these emails on to Mr. Kallenbach for his information.

NEW BUSINESS:

The Supervisors unanimously approved the purchasing of stormwater pipe, catch basins & street signs through the Erie County COG Program with one change on stormwater pipe going to Green Distributors because the low bidder does not supply compatible piping, on motion by Mr. Kraus, seconded by Mr. Carner.

The Fairview Fire Department Truck Committee presented information and specifications for a new Sutphen Custom Pumper/Tanker to the Supervisors and are looking for a commitment from the Township to help defer part of the cost of \$600,000.00. Mr Kraus reported that the road paving for 2012 is almost complete and then we will begin berming.

Mr. Carner reported the loss of a long time resident and school teacher, Mr. Orville Weislogel. Mr. Carner received a request, in which he agrees with, that we add Mr. Weislogel's name to the monument at Buseck Park in memory of him.

Mr. Carner reported that there will be further discussion at the ECATO Meeting on July 26, 2012 concerning the 911 Agreement. After that meeting, a representative group will meet with Tod Geers to finalize the agreement.
