

SUPERVISORS OF FAIRVIEW TOWNSHIP  
7471 McCray Road ~ Fairview, PA 16415

Workshop Meeting ~ May 27, 2015 ~ 1:00 P.M.

The workshop meeting of the Supervisors of Fairview Township was called to order at 1:15P.M. on May 27, 2015 by Chairman Mark Gennuso. Present were: Supervisor Pete Kraus; Zoning Officer James Cardman, Assistant Zoning Officer Amanda Bair; Secretary Judy Schroeck and Mike Christ from the Pittsburgh office of Waste Management.

Mike Christ from Waste Management spoke to the Supervisors about renewing the trash hauling contract the township has with them. Fairview Township is in the West County COG with Girard Township, Girard Borough, Platea, Lake City that has an inter-governmental agreement to contract with WM, even though Fairview has a separate stand-alone contract. Mike stated that the pricing will be close to the same current pricing.

The Nestlewood Subdivision, which is an R-3 multi-family district, will be written into the next contract as to how the trash in a condo unit will be picked up and billed. Condos of 3-4 is considered a commercial account, but rental units will be billed to the property owner.

Some residents who call WM for the HHW program have been told that Fairview does not have that program. The issue is that those residents have a Girard or Erie address so they need to let the operator know they are a Fairview Township resident.

The Supervisors met with Nancy Richter, 6196 Brandy Run, who has issues with the Blended Spirits Ranch, which included the storage of equipment and porta potty behind the barn and the disposal of horse manure.

The developer agreement for Bear Run Subdivision will be presented to the Supervisors at their next public meeting on June 4, 2015.

Meeting adjourned at 2:55 p.m.

Respectfully submitted,

Judy Schroeck  
Planning/Zoning Secretary
