

SUPERVISORS OF FAIRVIEW TOWNSHIP
7471 McCray Road ~ Fairview, PA 16415

Workshop Meeting ~ May 24, 2017 ~ 1:00 P.M.

The workshop meeting of the Supervisors of Fairview Township was called to order at 1:00 P.M. on May 24, 2017 by Ralph Heidler. Also present was Supervisors Mark Gennuso and Pete Kraus; Andy Holland- Urban Engineers and Planning/Zoning Secretary Judy Schroeck.

The Supervisors and Andy Holland discussed a request for a reduction of the Letter of Credit for Evergreen Farms. Urban Engineers will review a punch list of issues to be corrected and/or repaired, meet with Toby Froelich, his staff and Laird and Associates, and address all concerns before considering the reduction.

Pete Kraus motioned to go out for bids on the Polly Drive widening project. Mark Gennuso seconded. All in favor.

Andy Holland reported that the MS4 Progress Report was due in March and that he is working on it. Also the MS4 information on the township web site needs updating and the Township should consider working in collaboration with the Fairview School District on any presentations concerning stormwater runoff. The group discussed possible new areas to repair for next year's permit.

The meeting was adjourned at 2.15 PM.

Respectfully submitted,

Judy Schroeck, Secretary
Fairview Zoning/Planning
