

SUPERVISORS OF FAIRVIEW TOWNSHIP

7471 McCray Road
Fairview, PA 16415
Workshop Meeting
April 30, 2014
1:00 P.M.

The workshop meeting of the Supervisors of Fairview Township was called to order at 1:00 P.M. on April 30, 2014 by Chairman Peter Kraus. Present were: Supervisors Peter Kraus and Mark Gennuso; Zoning Officer James Cardman and Assistant Secretary Michelle Zirkle.

Visitors: Andrew Pastor

Citizen Concerns: Mr. Pastor came into the meeting concerned the Township was going to get phone calls from angry residents about noise and loose chickens. Mr. Pastors chickens were attacked by two dogs. The dogs tore through the fence. The dogs also chased after his daughter and wife, and his neighbor Mr. Fedei scared off the dogs. He is unaware whose dogs they belong to.

Mr. Cardman talked to the Supervisors about the new Stormwater Regulations. He would like to work with Urban Engineers to make a flyer or informative sheet about the regulations to better understand them. This would also help inform the residents of the regulations.

Mr. Gennuso presented the Draft Agreement for use of the Township Municipal Building Common Rooms. Mr. Gennuso and Mr. Kraus made suggested changes to the Draft and will review with Mr. Heidler at the next Workshop Meeting.

Meeting Adjourned 2:45 PM

Respectfully Submitted,

Michelle Zirkle
Assistant Secretary
